Suzie Boudreault is a native of Montréal, Québec. Her main studio is in Toronto (Ontario) and she also has a studio in St-Émile de Suffolk (Québec). Suzie became a professional artist in 2008, under the brand name SuzieB. Her style is a mix of Naïve, a hint of Impressionist allure with a decidedly Modernist bend. Her painting style is characterized by simplicity in its subject matter and technique.

SuzieB's paintings are glimpses of the natural world that are vibrant, lively, and candid. Rich with color, texture, and all the complexities of light and shadow, and yet are simultaneously contained by a dominant use of line and form. She is very passionate about her art.
