Suzie Boudreault, "SuzieB", is a native of Montréal, Québec. She has a studio in Toronto (Ontario) and in St-Émile de Suffolk (Québec). She became a professional time artist in 2008, under the brand name SuzieB.

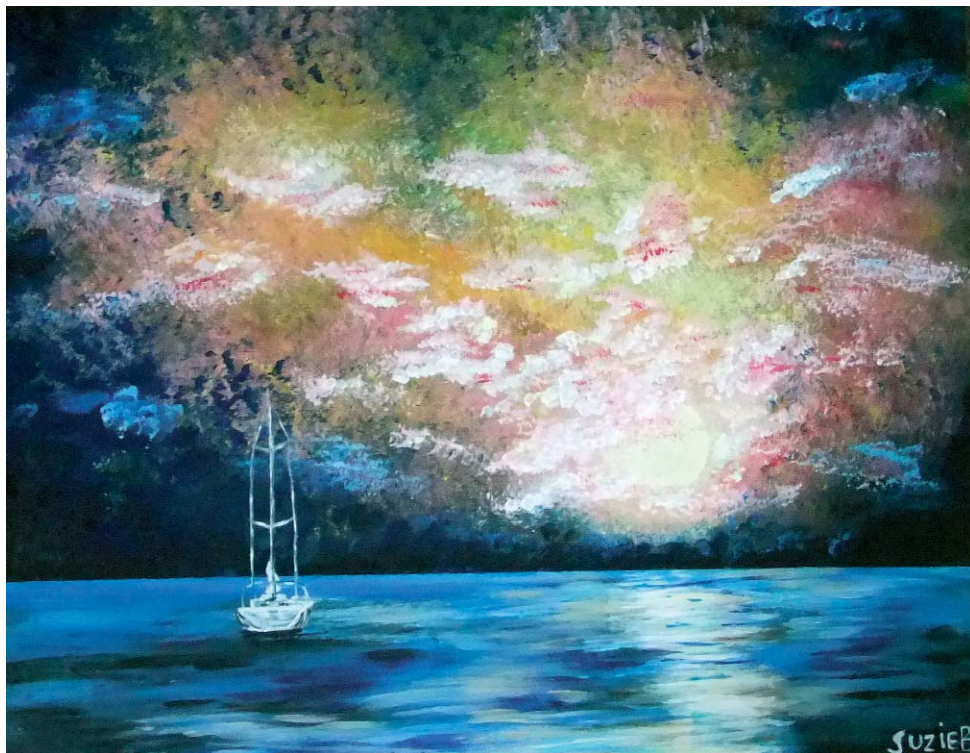

SuzieB's style is a mix of Naïve, a hint of Impressionist allure with a decidedly Modernist bend. Her painting style is characterized by simplicity in its subject matter and technique. Her paintings are glimpses of the natural world that are vibrant, lively, and candid. Rich with color, texture, and all the complexities of light and shadow, and yet are simultaneously contained by a dominant use of line and form. SuzieB is represented by Art Galerie Berick in Bromont (Québec) and has been published in many art magazines and books. Her workshops and speaking engagements include the Business of Art program at Schulich School of Business/York University in Toronto.
